San Francisco. It's all been turned over to the authorities and she has been reported.

Aside from Ortega not giving you a head's up about pulling the article, Alanzo threw gasoline on the crazy fire by broadcasting the assumption that it was pulled because you lied and Ortega jumped to conclusions. So Alanzo is equally to blame for this batshit.

Yeah, one would think people would have a heart & consider everything we've been through& all the personal sacrifices I've made to just do the right thing, you'd think they'd be more compassionate & protective of a mom just trying to survive and keep her babies safe @TonyOrtega94

Wow! It's unbelievable how they're attacking you and your family. So sorry you're going through this. As a mom myself, there would be no stopping me if someone did this. ❤️
